DEFINITIONS

Managing agents

Agents appointed in Florida to Manage the property on behalf of the owner. Details of the appointed agents on request.

The Villa

The property including building and contents, rented out by the owner for holiday purposes. The villa is located in Lake Berkley Resort, Kissimmee, Florida, USA.

The Party Leader

The person that signed the Rental Agreement and takes responsibility for all the persons in his or her group.

Booking / Deposit

The Villa is offered subject to availability. That means subject to the home not having been damaged or rendered in a condition unsuitable for rental. In the unlikely event of the Villa not being available, we will notify you of such immediately. Minimum stay 3 nights. Rental rates may change without notice, and only fixed by confirmed reservation. A booking deposit of \$250 is required when booking the Villa. As soon as this deposit is received, your booking will be confirmed. This deposit is non-refundable in the event of a cancellation however it will be used towards your total stays invoice. Bookings made within 60 days of departure require the full amount to be paid. Bookings made within 30 days of departure will require full payment to be made in cleared funds by Certified Check or Cash. Payments may be accepted by non-cleared funds, but will attract bank charges.

Property furnishings & equipment

The Villa is privately owned and furnished and equipped to meet basic vacation needs, although you will probably find our Villa to be well above a basic standard. The Owner or their Managing Agent can provide additional equipment or furnishings at an additional cost. The items that are offered are subject to availability, these are: Crib @ \$35 per stay, High Chair @ \$25 per stay, Roll Away Bed @ \$35 per stay, BBQ Grill @ \$35 per week (Excluding Gas), Fax Machine** @ \$50 per week, Computer Rental** @\$60 per week including Internet access. The items noted with ** require an additional security deposit of \$250.

Occupancy

Safety regulations limit the maximum number of people allowed to occupy our 4 bedroom Villa to 10 people. If this limit is exceeded, parties will be evicted from premises with no refund or rebate given. It is very important to note that only persons identified on the booking form are permitted to stay at the property. The party leader agrees NOT to sublet, share or assign the property to any persons not authorized by the Owner. Please ensure that we are notified of any changes to the original booking, as unauthorized persons staying at the villa will cause the whole party to be excluded from the property without refund. Pets are not permitted.

Security deposit

A security deposit is held against the Villa booked and is paid directly to our Managing Agent in Florida. The amount will be \$250. The Deposit is paid either by a credit card imprint / hold or a check made out to the Managing Agent. This sum will be in addition to the final balance and is fully refundable, should the occupants not incur any costs arising from breakage loss or damage. The party leader agrees to accept full and personal liability for all loss or damage caused by any member of his or her party, during the occupation of the property and confirm that the full cost of repair or replacement will be met. Minor breakages such as crockery or glassware will inevitable occur at times. It is much cheaper to replace these items yourself rather than wait for them to be discovered by the housekeeper.

Cancellation

We hope it will not be necessary for you to cancel, but should you need to do so, it is important that we are notified immediately, in writing. The following cancellation charges apply. Between 30 and 60 days before departure, the cancellation charge is 50% of the total costs. Less than 30 days before departure, the cancellation charge is 100%. The security deposit is not subject to cancellation charges and would be refunded in full. In many cases, you will be covered under your Travel Insurance policy. Failure of the Party Leader to make settlement on the due date may be deemed as voluntary cancellation, which may result in your holiday dates being assigned to an alternative party. The Owner will make all necessary attempts to contact the Party Leader before such action is taken.

If we cancel

The Owner or their Managing Agent reserves the right to cancel any booking where we believe that the information supplied to us concerning the identity of any or all persons listed on the booking form is incorrect or untrue. Your booking deposit will be refunded. Should the Villa become unavailable for your travel dates, The Owner or their Managing Agent will assign you an alternative property of equal or higher standard to the one booked in the same or similar location.

The owners

discretion The Owners or their Managing Agents reserve the right to withhold deposits, revise rental or discontinue occupancy if, in our opinion, the tenants presence or conduct is detrimental to the premises. The Managing Agents first responsibility is to protect the owner's property.

Arrival & Departure

Guests may normally take possession from 4 Pm on the day of arrival and are expected to vacate the property by 10 AM on the morning of departure. This allows time for the maid service to make the Villa ready for our next guests.

Housekeeping

The Villa is professionally cleaned upon your departure. Should additional service be required due to negligence or abuse a minimum charge of \$50 will be assessed against your damage deposit. If an interruption of our housekeeping schedule is caused by a guest checking-out after the 10:00 AM checkout time, an extra night rental may be assessed against your damage deposit. A Cleaning fee is applied for stays of Five nights or less, \$70.

Liability

The Owner, the Owner's Managing Agents and the Owner's booking agents do not accept liability for any injury. The Owner or their Managing Agents of the Villa shall not be liable for any damage or injury to tenant or to any other person (s), or to any property occurring on the premises or any part thereof; and tenant agrees to hold Owners, their Managing Agents and their Booking Agents harmless for any claims for damage, no matter how caused. The Owner and/or their Agents will not be held responsible for acts of theft or vandalism or other damages to tenant (s) / guest (s) personal property howsoever caused. Guests are specifically instructed not to allow unsupervised children to use the pool.

Neighbourly conduct

On your vacation, you will be staying in a privately owned house on a gated and partly residential estate. Please ensure that you act in a neighbourly and courteous manner towards your neighbours, who may NOT be on a holiday. Whilst we do not wish to curtail your enjoyment in any way, we do request that noise be kept to a minimum during early mornings and late evenings, particularly around the patio and pool. Excessive noise will almost certainly lead to a visit from the Local Law Enforcement officer and could even lead to your party being excluded from the property without refund. The overnight parking of oversized RV's buses and trucks is not allowed on the property.
